- A winning team can earn up to 15 points from a match, a drawing team up to 9 points, and a losing team can still accumulate 3 points.

How it works:

- 22 clubs from Championship and League 1
- League 1 clubs kick the tournament off over two preliminary rounds, with the best four of those clubs joining 12 Championship clubs in the first Round proper.
- The eight winners from the first round will then take part in the Quarter Finals, those winners then proceeding to the Semi Finals before the best two meet at Wembley in June.
